## "Contribution"

*[chorus]*

yo, either you a part of the problem  
or part of the solution  
what's your contribution to life  
so many people complain, always talk about change yo  
but what's your contribution to life  
either you with or ain't with it, if it ain't broke don't fix it  
yo what's your contribution to life  
either you give or you take, make moves and you wait yo  
but what's your contribution to life

(your about to witness three of the most common  
tales of man, woman and human, the difference between the three  
is that there is not difference, just other outcomes  
listen and witness the common tales)

aye yo my momma and a nigga for life  
love carousel, cuss yell and fight  
seven nights a week, no respect when they speak  
disrespect between the sheets, the ends don't meet  
no rice beans or meat  
my momma was the bread winner plus  
she had to cook his dinner  
my daddy was a full time sinner  
poppa was a stoner stay gone till November  
off of that, gawk that made Emacs  
like the devil done took his soul and ain't given it back  
remember that, when you play for the bless  
speedy victory for the poor and the press  
I cant stand the stress, its test and time press  
up against my momma and daddy chest, I try and rest  
with no stretch of the mind, I cant find no piece  
of mind within this family of mine, yo

*[marc 7even]*

she got chips and you don't, that's bottom line  
that's just the way love goes, (hmmm) lets rewind  
you really ain't paid, you clockin minimum wage  
now basically you a slave, your wife studies for days  
no money for much, just movies and such  
the way your two hands clutch, you know its love not lust  
now she's sick of the bus, and using you as a crutch  
and on top of this stuff, she graduates in a month

damn, her new job got her clocking the dough  
now she's buying new clothes, and taken you to the show  
you feeling like you the ho, not knowing which way to go  
and ultimately you know, you ain't feeling her so  
you need to get up, get out and get something  
your job ain't nothing, all these years you've just been frontin  
thats the way she played ya, the talked in rager went back  
to your days of...*[chali 2na voices over marc 7even]*

*[chali 2na]*

she always said I'm out husslin for food, kitchen indeed  
while this nigga spend his ends on booze, bitches and weed  
I thought that we'd agree, with two kids to feed  
that you would slow your own, but instead of switchin your seed  
you slapped me, you cant attack me thinkin I'm be happy  
in fact its a packing and we rapidly  
after we witness, no love between parents  
the father type that was once on the sence vanished  
supreme bamish the couples that match these  
producin generations of kids with latched keys  
her daughter learned from momma  
how to reject men, her sons attracts women  
that don't respect men, and then  
one parental provided can be the plan  
but no woman can truly teach a boy to be a man  
that's why I'm always telling these many pals of mine  
the most that you can spend on any child is time

(look we don't have all the answers, we're victims also  
to the same situations, but man, plans and the lord plans  
and the lord is the best of planners,  
so what's your contribution to life)

*[chorus]*

what's your contribution to life
